White Label

Take a high quality successful product and brand it as your own.
You won't find our name or info anywhere on your branded product.

A white label product is a product that's produced by a manufacturer but rebranded for another company to resale. You rely on the expertise of a manufacturing partner and save on the research and development necessary for creating a custom product formulation. White label products are generic and the same standard formulations are sold potentially to many different retail brands. The only difference is the label and branding. Our white label package includes; label creation, 100 labels, 3 professional product renderings, and your branded COA.

Body Lotion

1500 MG CBD
8 oz.

Benefits: Moisturize and nourish your skin with this exceptional 1500 mg CBD daily body lotion. Our topicals are formulated with some of the most advanced ingredients in skincare. This CBD lotion may help reduce inflammation while leaving your skin soft and smooth.

There is a high concentration of cannabinoid receptors in the skin, and when CBD is applied topically, it may activate the endocannabinoid system through those receptors. CBD binds to the cannabinoid receptors in your epidermal and dermal skin; a process that results in alleviation of pain and inflammation.

Suggested Use: Apply generously to skin and massage until fully absorbed. Repeat up to 4 times daily as needed. Use daily to help nourish skin.

Keep in a cool, dry place. Do not place in direct sunlight. Keep out of reach of children and pets. Avoid getting into eyes, nose and mouth. Do not ingest. If redness, rash or burning occurs, use cool water to remove product and discontinue use.

Ingredients: Deionized Water, Glycerin, PrunusAmygdalus Dulcis (Sweet Almond) Oil, LimoneneTerpene, Cannabidiol Hemp Extraxt, Stearic Acid, Cetearyl Alcohol, Cetyl Alcohol, Dimethicone, Glyceryl Stearate, PEG-100 & 7 Stearate, Polisorbate 60, Tocopheryl Acetate (Vitamin E Acetate), Organic Aloe Barbadensis (Aloe Vera) Leaf Extract, Triethanolamine, BHT, Phenoxyethanol, Ethylhexylglycerin, Caprylyl Glycol, Hexylene Glycol

Anti Aging Serum

Benefits: Like other powerful antioxidants, CBD may help reduce visible signs of aging. These intense moisturizing nutrient-rich ingredients, combined with CBD in our topicals, may soothe inflammation, improve uneven skin tone, counteract damage from free-radicals, improve signs of aging such as wrinkles, fine lines, ruddy skin tone, and skin dullness. Our topicals are formulated with some of the most advanced ingredients in skincare. This all-natural CBD anti aging serum will brighten and tighten your skin, leaving your skin feeling silky smooth and hydrated.

Suggested Use: Apply 2-3 drops to fingertips and smooth onto cleansed skin morning and night. Using circular motions, work lotion into skin until fully absorbed. Use on face, neck and upper chest. Best results come from daily use.

Keep in a cool, dry place. Do not place in direct sunlight. Keep out of reach of children and pets. Avoid getting into eyes, nose and mouth. Do not ingest. If redness, rash or burning occurs, use cool water to remove product and discontinue use.

Ingredients: Distilled Water, Magnesium Ascorbyl Phosphate, Hyaluronic Acid, Vitamin C, Matrixyl® 3000, Cannabidiol Extract, Carbomer, Sodium Hyaluronate, Glycerin, Butylene Glycol, Polysorbate 20, Palmitoyl Oligopeptide, Palmitoyltetrapeptide-7, Triethanolamine, Benzyl Alcohol, Dehydroacetic Acid.

Active Ingredients: Matrixyl®: Contains 1.3% Matrixyl® 3000. Increases collagen production by 350%. Firms and eliminates wrinkles. Hyaluronic Acid: Contains maximum 60% strength. Super hydrates and increases the skins ability to retain moisture. Vitamin C: Contains 4.5 % Vitamin C. Potent antioxidant that builds collagen and evens skin tone.

Our anti inflammatory pain capsules may help ease the pain from arthritis, muscle and joint aches, reduce cholesterol, improve memory and enhance brain function among other things. Great to use for post surgery to help ease discomfort. Our ingredients are some of the best you can find in an anti inflammatory pain capsule.

Suggested Use: Take one capsule by mouth 1-3 times daily as needed.

Keep in a cool, dry place. Do not place in direct sunlight. Keep out of reach of children and pets. Avoid getting into eyes and nose.

Ingredients: Cannabidiol Hemp Extract, Cannabigerol Hemp Extract, Acai Berry Extract, Curcumin C3 Complex, BioPerine, Glucosamine, Chondroitin, Vegetabe Glycerin

- CBG is another cannabinoid with therapeutic applications. It is known to have antibacterial, anti-fungal, and anti-parasitic properties
- Curcumin C3 Complex is an extract derived from the rhizomes (roots) of the plant *Curcuma longa*, also known as turmeric. Prevents tissue damage from free radicals (antioxidant). Anti-inflammatory. Boosts immunity. Supports healthy cholesterol levels.
- BioPerine is a high-level antioxidant, capable of eliminating free radicals within the body and help prevent the damage these free radicals can cause. BioPerine is a patented extract of piperine that is easy for your body to absorb and found in many supplements. Studies show that piperine might help enhance nutrient absorption, stabilize blood sugar levels, combat cancer cell growth, decrease inflammation, and boost brain function.
